

Product List 2025/26

Tower Glass are the UK's leading stock of AGC Mirror, Lacobel & Matelac Ranges. Alongside this we also stock an extensive range of own brand decorative & merchant glass from 4mm-19mm thick.

Architects, manufacturers, specifiers & glass processors have come to rely on Tower Glass for the last 40 years for stock availability, competitive prices & reliable nationwide deliveries.

With stock spread across 2 sites in the UK totalling over 40,000sqft, we store, cut & process more than 300 different types, tints, colours & thicknesses of glass.

Tower Glass is the only company
in the U.K. to stock the entire
range of Lacobel & Matelac
